

2012 Grad Nite Takes Flight

IMPORTANT INFORMATION FOR 2012 SENIOR PARENTS

GRAD NITE is a PTSA-sponsored event and a wonderful school tradition by which parents of the graduating class plan the finest graduation party possible for their seniors. The purpose is to celebrate the seniors' achievements in such an entertaining way that being at this party on their night of High School Graduation is the only place they will want to be. It allows their final high school event with their classmates and friends to be in a safe and sober environment.

Last year, Grad Nite was held off-site and it was very well-received by both the graduates and their parents. This allowed more time to focus on fundraising to help defray costs and provide scholarship tickets to deserving graduates.

This year, Grad Nite will be held off-site at the MCAS Miramar Officer's Club which explains our theme of "Grad Nite Takes Flight." The event company, Party Pals, will be providing the entertainment and personnel for us again, and will include dancing, games, an illusionist and lots of fun! Our graduates will be bused from MCHS to the event and back.

In order to make this an extra special night for our graduates, we need all the volunteer help we can get, so please consider adding your name to our list of volunteers.

Questions or Comments: contact Bobbi Crann at mchsgrad12@hotmail.com or 858-204-6810.
